

Let us bring you to one of Hong Kong's most idyllic places, a venue no other couples have shot before for their pre wedding — Clearwater Bay Equestrian Centre. We will have a horse available for shooting, as well as access to their venue. After that we will have extra time to shoot at trails and beaches nearby.

This is an exclusive experience limited to 3 couples only. Shooting takes place weekdays only. Booking confirmed once 50% deposit paid and agreement signed.
